

OUR TOWN IN HANDS OF EDITOR

Announcement Is Made of
Completion of Pur-
chase.

POLICY TO STAY SAME

Announcement was made this week by Ralph S. Dunne, president of the Narberth Civic Association, that "Our Town," founded and published for thirteen years by that body had been sold to Philip A. Livingston.

The completion of the sale of the paper brings to a close the activities of the association, which voted in November to disband. A check in payment of the goodwill and publishing rights of "Our Town" was recently delivered to Mr. Dunne by the purchaser.

Of the funds in possession of the association, \$1000 is being distributed to various local organizations. Two hundred and fifty dollars is to be given to each of the following: The Library, the Fire Company, the Boy Scouts and the Building Fund of the Women's Community Club. A part of the remainder will be devoted to the erection of a flag pole on the Playground.

The new owner of "Our Town" has been in active charge of its publication since March, 1921. He edited the paper while attending the University of Pennsylvania, and upon graduation assumed full publishing duties. Since then two other papers have been added which, together with "Our Town," form a compact group of weeklies

ART IS SUBJECT AT COMMUNITY CLUB

Members Hear Talk by Dorothy Grafly.

The Board of Directors of the Community Club are giving a luncheon-bridge at Brynwood Manor Inn at 1 P. M. on Tuesday, February 8. Reservations should be made with Mrs. H. A. Jacobs, Box 979. Tickets are \$1.

The Community Club meeting on February 1 was in charge of the Art Committee. Miss Dorothy Grafly, art critic for the Public Ledger, spoke on "Art in America Today." She proceeded from the axiom that works of art survive only when they are of significance in the life of their time. Thus the primitive man decorated the things most necessary to him—his weapons and his household utensils. So, too, in the Middle Ages when religious art developed in the beautifying of churches. Today life is industrial and commercial. Most current painting and sculpture are unrelated to these forces and so lack vitality. Architecture, on the contrary, by adapting itself to the needs of business and industry without losing dignity and beauty, has achieved real meaning. Certain cities, however, are making through their museums a real contact between their citizens and art that may result in new developments, she said.

Mrs. A. S. Staples, accompanied by Mrs. J. A. Hoagler, sang a number of quaintly pretty songs with lightness and tenderness wholly charming.

Mrs. Mueller, Legislative Chairman, reported on prospective measures both in the State Assembly and in Congress.

Tea was served by Mrs. C. A. Peeney, chairman; Mrs. D. E. McCormick, Mrs. R. D. MacGuffin, Mrs. Eberhardt Mueller, Mrs. L. P. Miller, Mrs. H. R. Massey, Mrs. R. E. Walker.

The Hospitality Committee again asks for material for its rummage sale. Mrs. J. B. Brooks has offered storage space in her basement at 108 North Narberth avenue. It will be open every day until 7 P. M.

The organization of the Sub-junior Section has made some changes in the chairmanships. Mrs. H. I. McConnell, with Mrs. Lester Collier as assistant, has taken charge of the Sub-juniors. Mrs. Wallis Boileau is now chairman of Juniors, with Mrs. W. W. Deacon as vice chairman.

Women Still Novices in Politics and Not Yet Fit for Office Holding

Women are still novices in politics and as yet are not really fit to hold office. This was the statement last Wednesday of Mrs. Herman L. Schwartz, of Wynnewood, prominent in the League of Women Voters and active in Lower Merion politics, in a speech given before the Norristown branch of the League of Women Voters.

Mrs. Schwartz is chairman of the legislative committee of the Pennsylvania League of Women Voters, and last spring at the May primaries she was elected Republican committee woman from the North Ardmore district in the township.

"Women are slowly but surely developing politically," she told her listeners, "but they are by no means a power yet. They have a lot to learn and they are as yet not really fitted to be office holders. They are not proficient in group thinking and action. They must learn how to be loyal to the group."

Mrs. Schwartz referred to Secretary Mellon as Pennsylvania's new political leader. She also spoke of State and county political problems. She told the women to watch who will be selected as candidates at the next primary election in the county, particularly in the creation of a new judgeship.

"Get behind the right group," she advised. "It is just such groups as you who have so much to do with the proper molding of public opinion. Public opinion is the highest tribunal there is."

WOMEN TO PLAN ELECTION

The Narberth League of Women Voters will meet Monday, the 14th, at 2.30 P. M. The meeting will be devoted to information on our County offices, and a list of offices that are to be filled at the next election will be furnished. A county official who will be the speaker of the meeting will advise of the situation at Norristown.

All future meetings will be held at 2.30 in the afternoon, commencing with the next meeting, instead of the usual 3 o'clock. It is hoped that there will be a good attendance at the meeting, which will be held in the American Legion rooms of the new Community Building on Windsor avenue. A tea will follow the business meeting.

WARNS DOG OWNERS

Dog owners are warned by Constable J. A. Miller that the State will send men within the next few weeks to cover this territory and fine owners whose dogs wear no license when at large. Unless dogs have a collar with name plate on, owners will be subject to a fine. If dogs have no license or name plate they will be disposed of.

The enforcement of the "Dog law" is under the supervision of the Bureau of Animal Industry, Pennsylvania Department of Agriculture, and the co-operation of the public is solicited to the end that the law may be properly observed. Placards are being posted by the Constable, giving owners ample time to obtain licenses from the county treasurer.

Owners are also reminded that they are held responsible for all damage caused by their dogs.

PRESBYTERIAN WOMEN MEET

The regular monthly meeting of the Women's Auxiliary of the Narberth Presbyterian Church will be held Wednesday, the 9th, from 10 to 4. Luncheon will be served at 1 o'clock. The Westminster Circle will be guests of the society for the day.

All the women of the congregation are urged to be present to assist with the sewing and spend a social afternoon.

CARD PARTY WEDNESDAY

The Mothers' Association of the Narberth Girl Scouts are giving a card party on Wednesday, the 9th, at 1.30 P. M., at the Scout House on Windsor avenue. "Refreshments and prizes."

WEATHER MAKES RECORDS

The weather hung up two records last week. Last Thursday, January 27, at 8 A. M., the barometer reached a reading of 30.98 inches. This is the highest of record since observations for the Main Line by the Co-operative Observer, of the Weather Bureau, at Narberth, were started nearly 10 years ago. The previous highest being 30.95 on February 1, 1920.

It was under the influence of this high pressure barometer that temperature fell to 1 above zero on this same Thursday. This was a record for the date, but was not the lowest ever recorded here.

FIREMEN REMEDY "UNCOVERED" EVIL

Ardmore Conference Brings
Better Protection for
District.

TAGS FOR VOLUNTEERS

More efficient fire protection is assured Lower Merion and Narberth as the result of a conference of fire chiefs and other representatives of the volunteer companies of this district held Friday night in the township building at Ardmore. The meeting, called to effect better co-operation between the various fire units, was presided over by Commissioner William Sherwood, chairman of the Lower Merion Fire and Police Committee.

The principal problem taken up was that of "uncovered" districts when one or more alarms are sounded to fires. In the past when the firemen have gone out each company took every piece of apparatus it possessed to the alarm. Often all four of the public companies and the one private one have been called to the same fire. This left the district entirely unprotected in case another alarm should come in.

To remedy this condition, the fire chiefs at their conference agreed that on future calls out of their immediate districts they will take with them only their "pumpers," leaving the chemicals and other pieces of apparatus behind for second alarms.

The installation of a central fire alarm system for Lower Merion and Narberth also came up for discussion. This has been proposed often in the past in order that the nearest company may be sent out on a fire. This would eliminate Cynwyd answering an alarm that is in Narberth's territory and the vice versa.

The fire chiefs were informed that such a central system would cost \$12,000 for installation. As this money is now not available from either Lower Merion nor Narberth, the project was dropped temporarily.

The old question between the Cynwyd and the Narberth companies as to which should answer alarms from south side Merion came up once more. Chief Hettenbach, of Cynwyd, informed the meeting that the difficulty had been settled by mutual agreement. Cynwyd, when it gets a call from South Merion, now informs the Narberth company before it goes out so that both may make a run to the scene.

At the suggestion of Superintendent of Police Charles Smith all active members of the various fire companies will be given a distinctive emblem to put on their automobiles near the license tags. This will eliminate all trouble which now arises when the township police take the numbers of all cars parked illegally near to the fires. This is expected to enable volunteers who go to fires in their own machines to enter the fire lines without fear of being handed summonses by the police.

The chiefs of each company are now preparing lists of their members.

SCOUTS MEET

Last week's meeting of the Boy Scouts in "The Cabin" was devoted entirely to scout work. Scoutmaster Cook was absent and the meeting was in charge of Assistant Scoutmasters Baird Caldwell and Jim Hutchinson.

The following boys passed tests: Lewis Pugh, tenderfoot; John Miller, first aid; Richard Toomey, fire building; Richard Wentz, knife and ax.

PIANIST WILL BE ORCHESTRA SOLOIST

Ailsa Craig MacColl to Be
Feature Artist at Next
Concert

DATE IS SUNDAY, FEB. 13

The next concert of the Main Line Orchestra will be held on Sunday, February 13, at the Ardmore Theatre. Ailsa Craig MacColl, pianist, will be the soloist.

Miss MacColl made her debut in a concert at the Academy of Music Foyer in Philadelphia and won the unstinted praise of critics and professional musicians who attended.

On February 13, she will play the first movement of Schumann's A minor Concerto with orchestral accompaniment, and in the second part of the program a group of solo numbers namely: Prelude, by MacDowell; Highland Lament, by Barratt, and Gavotte, by d'Albert.

Director Adolph Vogel offers the following program for this concert: Sakuntala Overture, by Goldmark; Adagio Lamentoso from the B minor Symphony, by Tchaikowsky, and in the second half a group of MacDowell numbers orchestrated by Van Den Beemt and two Spanish dances by Moszkowsky.

VIOLINIST AT CHURCH

At an evening musicale tomorrow, Sunday, February 6, the Baptist church presents Mr. Lucius Duncan, violin soloist. Mr. Duncan has been a student of prominent teachers in Philadelphia, New York and London. Since graduating from Combs' Conservatory he has taken time from his teaching to give several recitals in the South and in the larger cities of the East.

He has chosen for his program several of the familiar numbers of violin repertoire, including Drla's "Souvenir," Saint-Saens' "Le Cygne" and Raff's "Cavatina." At the time of the concert he will present "Adore and Be Still," by Gounod.

The friends of the church are invited to hear this accomplished artist and to enjoy an evening of music.

MOTHERS' COUNCIL MEETS

The regular meeting of the Mothers' Council will be held in the Junior High School at 8 P. M., Monday, February 14. The purpose of the meeting is to form a permanent organization, to consider constitution and by-laws and to elect officers. Up to the present, the Council has proceeded under the leadership of the Education Committee of the Women's Community Club, which took the initiative in forming the organization.

The movement has been so well supported that the committee has petitioned the Executive Board of the Club to approve the organization of the council as a separate body. This petition has been granted. Affiliation with the National Parent-teacher Association is the next step.

!!! FATHERS AND SONS !!!

Be sure to reserve Friday evening, February 11. It is going to be a big night for every father and son in the Narberth Presbyterian Church and Sunday School.

Beginning with a dinner at 6.30 there will be plenty of fun and entertainment for every one. A program has been arranged with a variety of entertainment including Dr. Hess, a drummer boy of the Civil War, and the Rev. Stanley West, a Boy Scout leader and real boy's friend, and formerly Chaplain at Camp Devane.

Tickets are now on sale. Make your reservations by notifying any member of the H. C. Gara Men's Class or the committee in charge: O. H. Graves, J. S. Harris, A. C. Follette and T. E. Laughlin.

AT SCOUT GATHERING

Ten Narberth men attended the annual meeting of the Delaware and Montgomery Counties Council of Boy Scouts at the Bellevue-Stratford last Saturday.

They included E. P. Dold, F. A. Lanahan, C. M. Little, E. T. Wolf, Jr., H. V. Whitney, W. M. Wentz and the three assistant scoutmasters, John Wilson Baird Caldwell and Jim Hutchinson.

BUSINESS SECTION TO SEE CHANGES

Two Stores to Move Soon.
Several New Ones
Coming.

"Y" BUILDING CHANGED

The coming weeks will see a number of changes in Narberth's business section. New businesses will be established and old enterprises will change their locations. Later new buildings will be erected.

News of these changes, following close upon the decision of the local business men to push the station project, gives promise of a complete change in the aspect of the centre of the Borough.

Within the next two weeks Vincent Mariani will give up his Narberth Department store and open a similar enterprise on Lancaster avenue, Ardmore. The Lyons Hardware Store, now opposite the station, will take the Mariani store.

George M. Dando is preparing to move from his old location adjoining the Lyons Store and the Post Office. Robert J. Nash is remodeling the gymnasium room in the Y. M. C. A. building for him. A fruit store will open at the Haverford avenue address.

Mrs. William J. Herrschaft will soon open a shop at 242 Haverford avenue at the location recently vacated by one of the chain stores.

George M. Dando's store is one of the oldest in the borough. It was founded in the early days of the town, and was the only store of its kind at the time Narberth was called Elm Station. Later, under the name of the Imperial Grocery, it was operated by Schwenk and Caldwell, from whom Mr. Dando purchased the business in 1912. Several years after he dropped the Imperial title and later established a meat department.

"In those days," said Mr. Dando this week, "there was little competition and little business. Today there is plenty of competition and plenty of business."

Removal to a new location has been precipitated by the demand of the landlord for an increased rental of more than 50 per cent. The owner of the store and of that entire block of buildings is George A. Jones, of Philadelphia.

The new store will be located on Haverford avenue, adjoining

TOWNSHIP COMMISSIONERS RAISE PAY OF POLICE

Increase Will Be Borne in Part by
Narberth.

Increases in pay for almost the entire Lower Merion police force were authorized by the Township Commission at its meeting Wednesday night in the township building in Ardmore. The new wage scale goes into effect as of February 1, and is included in the budget in the ordinance, which was passed on first reading.

The increase will affect Narberth, because of the fact that the borough, a part of the township police system, pays a part of the general expense, in addition to the salaries of three patrolmen.

It is estimated that the new scale will cost Narberth in the neighborhood of \$500 per year more.

Lieutenant Ignatius Mullin's pay is raised from \$2400 to \$3000, and Lieutenant Albert Miller's present pay of \$2100 is raised to \$2400. The four sergeants pay is raised from \$2000 to \$2200 a year.

The present pay for new patrolmen will be unchanged, at \$135 a month. Officers who remain on the force more than six months will receive \$160 a month, upon approval of the Police and Fire Committee. At present it is necessary for an officer to remain on the force a full year before he receives additional pay, which is \$150 a month. The new scale will mean \$10 a month more for most of the force.

RIOT CALL SENT FROM BRICK ROW

Six Arrested in Battle with
Hatchets and Knives.
Sunday.

ARE HELD FOR COURT

Blood was shed in Narberth's Little Italy last Sunday night, and a riot call to Ardmore was needed to quell the disturbance.

A pitched battle in the mud took place at 214 Woodbine avenue, in which a hatchet, knife and teeth were the principal weapons. Hundreds of people swarmed about the spot, but a riot call to police headquarters was necessary to quell the disturbance.

Six more or less damaged combatants, all suffering from the effects of too much quaffing at the cup, were hauled to Ardmore. Magistrate Fred Walzer held a preliminary hearing Sunday night.

It was found that Deangelo Cinamore was suffering from a slight fracture of the skull from the blow of a hatchet. His wife was badly cut and bruised and had received internal injuries. The others taken into custody were Antonio diPhilippe and his wife, and Antonio di Nado and his wife—the latter couple from Philadelphia.

The arrests were made after a personally conducted attack by Lieutenant Mullin, assisted by Sergeant Wintz and Officer Waters. The three policemen struggled in Brick Row mud waist deep to separate the struggling figures. One woman had bitten a big piece out of the arm of one of the assailants. Another was brandishing a shoemaker's hatchet, which had already damaged one head.

At a further hearing Monday night, Magistrate Walzer held the diPhilippe and diNados in \$10,000 bail for court under a charge of aggravated assault and battery with intent to kill.

JUNIORS TO HOLD DANCE

The Junior Section, of the Women's Community Club will hold another interesting dance on Friday night, February 18, at the Brynwood Manor Inn, Montgomery pike, Narberth. Those who have been entertained at the Brynwood Manor Inn have enjoyed themselves so much that they heartily endorse it as a charming place to hold a dance. The Blue Ridge Ramblers have been secured to furnish the music so we are assured of a jazzy evening. Dancing will be from nine till one and subscriptions are \$2.

The regular meeting of the club will be held at the home of Mrs. J. H. Jeffries, Jr., 321 N. Narberth avenue, on Thursday evening, February 10. Mr. Robert H. Durbin will furnish the entertainment for the evening so a good turnout is hoped for to enjoy a good program. The cake sale held last week was a success due to the efforts of Mrs. Follmer and the other girls who so willingly contributed their time and effort.

GIVE PLAY FOR FUND

"Adam and Eva," a three-act comedy, will be presented by members of the National Alumni Players of Philadelphia on Saturday evening, February 19, at 8.15 P. M. in Elm Hall. The sponsors are Mrs. Horace I. McConnell, Mrs. Wallis Boileau, Mrs. Charles H. Shaw and Mrs. C. Arley Farmer.

The proceeds are to be for the Women's Community Club Building Fund. Tickets may be had from the above committee. Advertising space in the program is for sale at reasonable rates.

YOUNG TO SPEAK

Louis Alonzo Young, Narberth resident and Penn football coach, will be the speaker at the annual Father-and-Son dinner of the Bala-Cynwood Boy Scouts. Announcement was made this week by Rev. Frank M. Gray, Scoutmaster of Cynwood Troop No. 3, and former pastor of the Narberth M. E. Church.

The banquet will be held in the Cynwood Fire Hall, Thursday evening, February 17.

OWNERSHIP OF "OUR TOWN" CHANGES

CONTINUED FROM THE FIRST PAGE

serving the eastern Main Line.

No change will be made in the policy or tone of the paper. Founded as a civic and community proposition, that plan will be followed in the future. Its news columns are for the free and constructive use of its readers.

Following is a brief statement of the policies which are established for "Our Town." Although incomplete, the list will serve as an indication of what the editors are striving for, and will indicate the help that is needed to make the paper of increasing value to its readers:

1. To publish primarily the news of Narberth, and, when space permits, of the township and county of which Narberth is a geographical and partially political part.

2. To withhold from its columns sensational news; news relating to the unpleasant side of sex; details of domestic difficulties; news of the petty derelictions of children.

3. To act as the official organ of Borough Council, the School Board, and the various town officials; reserving the right to criticize these officials if the public good seems to warrant such action.

4. To chronicle the activities of local social and civic groups; to give publicity to their projects; to bind their members together; to support, without favor and without remuneration, any civic movement which it deems worthy.

5. To afford an inexpensive and comprehensive advertising medium for local and nearby merchants, and to aid in the growth of Narberth's business section.

6. To regard each reader as a stockholder, with full power of advice and criticism. To solicit such criticism and to receive it in a friendly way, giving suggestions due attention.

7. To fight without cessation to keep Narberth a clean, wholesome suburban town. To resist the encroachments of city noise, dirt and ugliness; to resist the attempts of outside monopolies to dictate Narberth's transportation; to warn our readers of public service matters in which their interests are involved.

8. To make "Our Town" interesting to all.

CAMP-FIRE NEWS

Play to Be Given February 25.

Last Wednesday I peeped into a weekly meeting of the Kiyuan Camp-fire Girls, and they were busy as usual. Do you know what I heard? Well, they were rehearsing a play which is to be given on Friday, February 25.

You all know how successful they were in putting over "their Bazaar," so now you can see what dramatic powers they have. I know how anxious they are to give it, for it is to swell their camp fund. Watch the paper for later news.

Don't forget the date, February 25.

—"The Camp-fire Fly."

You Can Park---So Why Not Shop---In Narberth?

Narberth merchants have worked with Council to keep the "no parking" evil from dominating our shopping district. With what result? It is more convenient to shop in Narberth than in Philadelphia.

Think about that. In return for the parking space the merchants helped preserve for you—stop awhile on Main Street—to look, choose, and buy. Values are just as good, your satisfaction will be just as complete, and it will be so much more convenient—to shop in Narberth.

Guard Against Pneumonia

The commissioner of health of a large city just reported as follows:

"There has been a slight increase in influenza over the record for last week but it still is one case below the reported cases for the corresponding week of last year.

"I emphasize the reported cases because, as is usual, a very large number of mild cases of influenza are not reported, because physicians are not called in. These cases frequently result in pneumonia."

Pneumonia frequently develops quickly from supposed minor ills.

Guard against it by putting all ills up to your physician promptly.

SHORE NEWS MAN ROTARY SPEAKER

Captain Smith, of Atlantic City, Stresses Fellowship as Important.

THREE NEW MEMBERS

Captain Harry Smith, of Atlantic City, was the principal speaker at the monthly business meeting of the Bala-Cynwyd-Narberth Rotary held Tuesday evening in the Cynwd Club. He is a past president of the shore Rotary Club and is vice president of the Press-Union Co., which publishes Atlantic City's two newspapers.

"Fellowship" was Captain Smith's subject and he stressed it as the most important object of Rotary membership. He gave numerous suggestions and among other things urged the adoption of ladies' nights as a regular part of the Balcynar Club's social program.

Three new members were voted in during the business sessions of the club. They were Ralph S. Dunne, Narberth coal dealer; George Gilpin, Narberth, profes-

sional entertainer and Hervey C. Keim, also of Narberth, an accountant.

Guests at the meeting were George M. Painter, of Bala, and W. Russell Green, of Narberth, both members of the Philadelphia Rotary Club; Clifford A. Rogers, of the Ardmore Club; J. L. McCrery, cashier of the Narberth National Bank; J. D. Sutherland, of Narberth, attache of the Philadelphia Y. M. C. A., and William H. Fowler, manager of the Narberth branch of the Merion Title

Vocal numbers were rendered during the evening by a quartet composed of Charles B. Aldred, William E. Clear, Howard Berry and Malcom McClure.

WEATHER MAKES RECORDS

The weather hung up two records last week. Last Thursday, January 27, at 8 A. M., the barometer reached a reading of 30.98 inches. This is the highest of record since observations for the Main Line by the Co-operative Observer, of the Weather Bureau, at Narberth, were started nearly 10 years ago. The previous highest being 30.95 on February 1, 1920.

It was under the influence of this high pressure barometer that temperature fell to 1 above zero on this same Thursday. This was a record for the date, but was not the lowest ever recorded here.

RE-MODEL

You are perfectly satisfied with the location of your property, probably within a few minutes of the railroad station, or other transportation facilities, but the exterior or interior of your house does not appeal to you as it did ten years ago when friends were enthusiastic about the general style as well as the details of your plans.

Times have changed, tastes have changed, and the desire for certain types of beauty in design and construction prevalent ten years ago have given way to others, modern to a degree, but taking us back a couple of hundred years to the old homestead on the hillside.

You would be surprised at what can be done with your house by making a few changes. Let us have a photograph of your house, or give one to your carpenter and have him get in touch with us.

HIGH STUDENTS TO GET MID-YEAR RETURNS TODAY

Juniors Get Rings and Pins—Class Book Discussion Up.

Today marks the close of the second quarter of school work in Lower Merion High. Mid-year tests, feared and dreaded, have been met and overcome or have met and overcome.

The issuance of report cards will take place today throughout the local school district, and many faces will be either happily lighted or darkly cast. Likewise, many students will either eat lightly from golden clouds of ethereal ecstasy or munch drearily from the mantlepiece.

Seniors at the high school in arrears of studies must now swim or sink from this point onward, as all scholastic work of the senior class must be finished by May 30 and no chance will be given those who have not made good by that time.

Only four months remain to the seniors and five to the lower classes. Everything from now on is a grind up until Easter, with one exception, Washington's birthday.

Recently the junior class at the high school purchased their class rings and pins. The rings which arrived last Friday afternoon are square shaped with the round Lower Merion seal set in the center. They are of 10-karat yellow gold and cost \$5.50 apiece. The pins with the class letters cost \$2.50 each.

Class Book Up.

Quite a bit of talk for and against a class book has been one of the main topics under discussion by the Senior and Junior classes. A Senior Committee, consisting of Peg Lambert, Ruth Caldwell and James Knipe, was appointed to look into all details and to have a report ready for a class committee meeting Thursday night. The subject of a class book will be broached at a Senior class meeting Friday afternoon, along with other details of the coming Senior Dance of February 26.

Student Council Monday morning suggested, and later approved, a committee to take charge of assembly programs. The programs thus far have not been up to those of past years and this year, due to building operations, scholastic entertainment has been greatly hindered. The committee is composed of Mr. Africa, faculty adviser, the vice presidents of the three classes and the presidents of the Senior and Junior Dramatic Clubs.

The Mathematics Department received singular honors when it was allotted \$50 to be given annually to the student having the most consistent and averagely high marks throughout the three years of the Senior High School. The purse will be known as the Hamilton Mathematics Prize and the first award will be made at the coming graduation in June.

Another award was made by the Peirce Business School, of Philadelphia. A silver cup was presented to the school to be given the student winning a spelling bee held under the direction of Peirce School authorities. Lower Merion was also invited to take part in an interscholastic tournament to be held March 19 at Peirce School. Each school is to be represented by a team of five spellers and the team winning will receive a silver loving trophy in recognition of its spelling ability.

KEEP ZINC FROM FOOD

Liquid foods, including butter-milk, milk, cider and other fruit juices should not be allowed to stand for even a short time in a galvanized iron vessel, nor should such a utensil be employed in making preserves, jellies, etc. The zinc used in galvanizing will dissolve and give the food an unpleasant taste and may cause sudden and intense illness.

SHORE NEWS MAN
ROTARY SPEAKER

Captain Smith, of Atlantic City, Stresses Fellowship as Important.

THREE NEW MEMBERS

Captain Harry Smith, of Atlantic City, was the principal speaker at the monthly business meeting of the Bala-Cynwyd-Narberth Rotary held Tuesday evening in the Cynwyd Club. He is a past president of the shore Rotary Club and is vice president of the Press-Union Co., which publishes Atlantic City's two newspapers.

"Fellowship" was Captain Smith's subject and he stressed it as the most important object of Rotary membership. He gave numerous suggestions and among other things urged the adoption of ladies' nights as a regular part of the Balcynar Club's social program.

Three new members were voted in during the business sessions of the club. They were Ralph S. Dunne, Narberth coal dealer; George Gilpin, Narberth, profes-

sional entertainer and Hervey C. Keim, also of Narberth, an accountant.

Guests at the meeting were George M. Painter, of Bala, and W. Russell Green, of Narberth, both members of the Philadelphia Rotary Club; Clifford A. Rogers, of the Ardmore Club; J. L. McCrery, cashier of the Narberth National Bank; J. D. Sutherland, of Narberth, attache of the Philadelphia Y. M. C. A., and William H. Fowler, manager of the Narberth branch of the Merion Title.

Vocal numbers were rendered during the evening by a quartet composed of Charles B. Aldred, William E. Clear, Howard Berry and Malcom McClure.

WEATHER MAKES RECORDS

The weather hung up two records last week. Last Thursday, January 27, at 8 A. M., the barometer reached a reading of 30.98 inches. This is the highest of record since observations for the Main Line by the Co-operative Observer, of the Weather Bureau, at Narberth, were started nearly 10 years ago. The previous highest being 30.95 on February 1, 1920.

It was under the influence of this high pressure barometer that temperature fell to 1 above zero on this same Thursday. This was a record for the date, but was not the lowest ever recorded here.

RE-MODEL

You are perfectly satisfied with the location of your property, probably within a few minutes of the railroad station, or other transportation facilities, but the exterior or interior of your house does not appeal to you as it did ten years ago when friends were enthusiastic about the general style as well as the details of your plans.

Times have changed, tastes have changed, and the desire for certain types of beauty in design and construction prevalent ten years ago have given way to others, modern to a degree, but taking us back a couple of hundred years to the old homestead on the hillside.

You would be surprised at what can be done with your house by making a few changes. Let us have a photograph of your house, or give one to your carpenter and have him get in touch with us.

MANY CHANGES TO TAKE PLACE HERE

CONTINUED FROM THE FIRST PAGE
the firehouse. Large display plate glass windows are being constructed at that part of the old Y. M. C. A. building. Inside, the high-ceilinged, galleried gym is being prepared for store use. It will make an unusually light and well-ventilated store. Until the opening of the community building, the library used the gym as its quarters.

Occupancy of the new quarters will be made without any cessation of business about February 16.

Another store to leave the Jones block is that of E. J. Lyons, a branch of the latter's hardware business in Ardmore. The need of more display space is given as the principal reason for taking the large general store building.

The hardware business was established in 1923 by Charles W. Bergner. In 1925 E. J. Lyons purchased the business and installed E. A. Keith as manager, and the latter has been in charge since that time.

Mr. Lyons, a pioneer in the hardware line in this part of the suburbs, has promised Narberth a store the equal of his Ardmore shop. The present fixtures of the Mariani store are well suited to hardware display, and some of the shelves from the old store will be moved. A full line of hardware and housefurnishings will be ready when the change takes place, probably next week.

Mrs. Herrshaft, for a number of years, has conducted the Hemstitching Shop at 318 Dudley avenue. At her new store she will handle draperies, silk underwear, etc., and will continue her hemstitching and pleating, button covering, etc. The circulating library at her home will be moved to the store.

The name of the new business will be the Allen Hemstitching and Gift Shop. The store will open some time after the 15th of this month.

A produce vendor of West Philadelphia is to take the Dando store. No plans have been announced for the old Lyons address, although a half dozen rumors are afloat.

Other plans "in the wind" seem to indicate that many more changes will soon be announced in Narberth.

NEW MAIL RATE

Postmaster J. B. Nesper announced this week the establishment of a reduced rate for airplane mail.

The rate is now 10c. for each half-ounce, regardless of the routes traversed. New 20c. stamps, of a pale green hue, are on sale.

COMMUNITY CLUB CALENDAR

February 7, 7.30 P. M.—Sub-junior Section. Meeting, 320 Merion avenue.
February 8, 1 P. M.—Luncheon-bridge, given by Board of Directors, Brynwood Manor Inn. Reservations from Mrs. H. A. Jacobs, Box 979.

WASHINGTON'S MONTH

Observed in Books and Magazines at Library.

Washington's birthday has not occurred in many years when there has been so much new material on his life issued by the publishing houses in books and magazines.

The library has recently purchased "George Washington, the Image and the Man" by W. E. Woodward, a biography advertised as "the finest biography of Washington yet published and the best picture of Revolutionary times." This biography is written in the modern manner of removing the glamour from tradition and refusing to overlook human frailties. Hence it makes very interesting reading.

Also in the current number of the Daughters of the American Revolution Magazine are two very interesting articles concerning Washington, one on his home in Mount Vernon, and the other on his home in Philadelphia. Both are fully illustrated and show charming phases of his life.

The library is indebted to the Benjamin Rush Chapter of the Daughters of the American Revolution for its subscription to this magazine, and in the two numbers which have already come has found much valuable information to use in the reference work with high school pupils. Mrs. Robert Dethard, of Wynnewood road, who notified the library that its name had been placed on the list of subscribers said that this was in line with the policy of the society, one object of which was to encourage the study of American history.

WILL PAY FIVE CENTS A MISS FOR ALLEY FUND

Battlers Bowl Better—Pilots Make Three Ports Without a Wreck.

Teams in the Inter-Church Bowling League have adopted a charge of five cents for each miss, up to ten, that a player makes in a match of three games. The purpose of this extra charge is to provide a fund to be used in paying off an indebtedness on the installation of the alleys and to keep the alleys in good condition. Each match game provides about \$1 for this fund.
